Re: Our Ref: 5074A-000013/REA

Dear Mr. Thiebaut:

As you may be aware, Medtronic Inc. is currently the owner of U.S. Patent 5,868,675, on which you are named an inventor. Medtronic Inc. has filed a reissue patent application to correct defects in the issued U.S. Patent. Specifically, Claim 14 does not specifically claim the use of an endoscopic viewing system.

Procedures before the U.S. Patent and Trademark Office require your signature, as an inventor, acknowledging that there is a defect within the issued U.S. Patent. Please find enclosed a copy of a French/English language declaration for your review and signature. Please also find for your convenience, a copy of the issued U.S. Patent and return self-addressed pre-paid envelope. Please execute and date the enclosed declaration and return these documents via the enclosed envelope.

Thank you in advance for your prompt attention to this matter. If you have any questions regarding this matter, please do not hesitate to contact us. My direct dial line is 248 641-1271.

Sincerely,

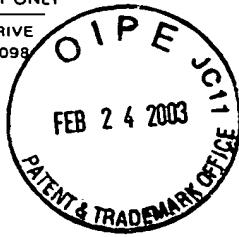

Richard W. Warner
